4. Versatile Original Programs

With cooperation from parents/guardians, university specialists, and student volunteers, a variety of childcare programs are offered that will stimulate children's intellectual curiosity and desire to learn.

Creation

It's exciting to be creative!
Children are provided with challenging tasks (art, design, handicraft) that will lead them to think and wonder "why?"

Dreaming/Collaborating

It's fun to work with friends!
Children learn how to collaborate as a team while having fun with adults and peers.

Gain hands-on scientific experience!
Through scientific experiences using familiar materials, children develop their imaginations and inquiring minds.

Pick-up Services

① Pick-up at children's schools

Pick-up services for regular members are available, for an extra charge, at neighboring elementary schools specified by Poppins After-School. Children may be picked up by a large-, medium-, or small-sized vehicle (depending on the number of children) arranged by our partner taxi company (a member of the National Childcare Taxi Association).
